

Code of Conduct

Dear guests

You spend your stay in a private boarding house. We always endeavor to provide you clean and modern rooms.

Please help to keep it that way by following these rules:

Arrival/Departure

On the day of arrival check-in is possible from 4:00p.m. or according to prior arrangement.

On the day of departure, we ask you to check-out latest by 11:00a.m.

Breakfast

Breakfast is served from 8:00a.m. to 10:00a.m.; please ask if you would like to get breakfast at a different time.

Duty of Care

Please close all windows and doors when leaving the room to avoid damage due to bad weather and the intrusion of "uninvited guests". In case of loss we assume no liability.

When starting up the heating, we ask you to keep the windows closed after ventilation.

Electronic devices should be switched off when leaving the room.

A mishap may happen to anyone. Please inform us about any damage or loss, so that we can eliminate it. The renter is liable in the amount of the replacement value.

Key

Please do not give the keys out of hand.

If the keys are lost, the renter is liable up to the amount of the replacement cost for a new locking system.

Kitchen

A coffee kitchen is available for our guests. It would be very helpful if you could clean and clear up your used dishes yourself.

The use of electric cooking devices (hotplates, coffee machines, water heaters, etc.) in the rooms is forbidden for fire protection reasons!

Waste

For the environment, we separate the waste and ask you to help us with it. Please use the provided container and follow the instructions in the kitchen.

Bath

Please do not dispose any hygiene products and leftovers in the toilet. Use the provided container instead.

Smoking

We would like to point out politely that smoking is allowed only outside the property. If we cannot rent a room because of odor, we reserve the right to charge this. Any elimination due to burn marks we will be charged in the amount of the replacement value.

Parking

By using the free parking spaces, no custody agreement is concluded. In the event of loss or damage to parked or ranked vehicles and their contents, no liability is assumed.

Pets

Your small pets are welcome after prior consultation. We ask you not to let your pet sleep in bed or on the armchairs.

Thoughtfulness

We ask the late returnees to take care to the early birds (and vice versa). In the spirit of a good neighborhood, we ask you not to shower from 10:30p.m. to 6:30a.m. The radio or the TV should be set to room volume.

Visitors

Welcoming of visitors is allowed from 10:00a.m. to 10:00p.m. Please inform us briefly about it. Generally prohibited is the overnight stay of non-residents.

Please let us know if we can do anything for you.

When reserving a room we assume that the Code of Conduct was read and accepted.

We wish you a pleasant stay and thank you for your understanding.

Sincerely Yours Family Reiche
